

PORT ELIZABETH

EMMAUS COMMUNITY

My Emmaus Pledge

The Lord continues to use the Emmaus Walk/Chrysalis Flight as a powerful and effective tool for building up the people of God to serve Him in many different ways. And we trust that you have been wonderfully blessed as you have attended a Walk/Flight as a pilgrim/caterpillar or worked as a team member.

However in these onerous economic times it is becoming increasingly difficult to defy inflation and maintain costs and fees at affordable levels for future Walks/Flights. Therefore we are asking for your assistance by way of a monthly pledge of a small amount which, when multiplied across the entire Port Elizabeth Community, would enable us to limit increased fees to prospective pilgrims and team members.

If you feel able to undertake this pledge we would appreciate you completing the tear off form below, indicating the amount you feel able to pledge on a regular monthly basis, and email it to treasurer@pe-emmaus.co.za

You would then need to contact your bank with the following Emmaus banking details and the amount you are willing to pledge.
